

“The Face of Freeport”

Goal: to preserve the history and character of Freeport, while creating a viable and sustainable community..

Objective 1: To identify and preserve the history of Freeport, including but not limited to:

Examples:

Historic Structures

Historic Sites

Historic Persons

Historic Events

Objective 2: To identify and enhance the character of Freeport.

Examples:

Ship-building industry

Relationship to Eglin Air Force Base

Farming Community

Fishing Village/Port Town

Lumbering/Mills/Naval Stores

Objective 3: To create scenic corridors which are attractive, inviting and pedestrian-friendly

Examples:

Sidewalks

Canopy trees lining the sidewalks.

Landscaping between sidewalks and parking areas

Signage regulations

Roof pitch regulations

Façade colors

Architectural accents

Recessed or protruding porch areas for sitting/swinging/rocking

Functional vertical or horizontal shutters

Unified park bench/street light/waste container designs

Staggered facades for non-residential structures over 5,000 square feet
